

COBRACUT® TYPE AS

Your ticket to the A class

- Modified primary material
- Optimisation of the drawing and annealing process
- Reliable quality
- Excellent value for money

Technical data

Core	CuZn36
Coating	Zn
Tensile strength	950 MPa / 137,200PSI
Elongation	1%
Color	Bright silver

Delivery program

Diameter [mm]	0,25
K200-Spool: 16 kg	●
